## **ORDINANCE 2021-05**

### **AN ORDINANCE OF THE BOROUGH OF WASHINGTON AMENDING THE BOROUGH'S LAND USE REGULATIONS TO PROHIBIT ALL CLASSES OF CANNABIS BUSINESSES WITHIN THE BOROUGH TO ALLOW THE BOROUGH MORE TIME AND FLEXIBILITY IN DETERMINING POTENTIAL PERMITTED USES**

**WHEREAS**, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least twenty-one years of age; and

**WHEREAS**, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults twenty-one years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and

**WHEREAS**, the Act establishes six marketplace classes of licensed businesses, including:

- Class 1: Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
- Class 2: Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
- Class 3: Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
- Class 4: Cannabis Distributer license, for businesses involved in transporting cannabis plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
- Class 5: Cannabis Retailer license, for locations at which cannabis items and related supplies are sold to consumers; and
- Class 6: Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis

delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer; and

**WHEREAS**, section 31a of the Act authorizes municipalities, by ordinance, to adopt regulations governing the number of cannabis establishments (defined in section 3 of the Act as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”), cannabis distributors or cannabis delivery services allowed to operate within their boundaries, as well as the location, manner, and times of operation of such establishments, distributors, or delivery services, and establishing civil penalties for the violation of any such regulations; and

**WHEREAS**, section 31b of the Act authorizes municipalities, by ordinance, to prohibit the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality; and

**WHEREAS**, section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (*i.e.*, by August 22, 2021); and

**WHEREAS**, pursuant to section 31b of the Act, the failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling, and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones; and

**WHEREAS**, at the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating within the municipality; an

**WHEREAS**, the Cannabis Regulatory Commission (Commission), established pursuant to section 31 of P.L.2019, c.153 (C.24:6I-24), is charged with, among other things, the

responsibility to adopt rules and regulations prepared by the Commission necessary or proper to enable it to carry out its duties, functions, and powers with respect to overseeing the development, regulation, and enforcement of activities associated with the personal use of cannabis pursuant to P.L.2021, c.16 (C.24:6I-31 et al.). within 180 days after the effective date of P.L.2021, c.16; and

**WHEREAS**, the timing of the Commission's promulgation of those aforementioned rules is not likely to leave municipalities sufficient time to review and consider the implications for developing local regulations regarding cannabis establishments, cannabis distributors or cannabis delivery services; and

**WHEREAS**, the Mayor and Borough Council of the Borough of Washington has determined that, due to present uncertainties regarding the potential future impacts that allowing one or more classes of cannabis business might have on New Jersey municipalities in general, and on the Borough of Washington in particular, it is at this time necessary and appropriate, and in the best interest of the health, safety, and welfare of the Borough's residents and members of the public to amend the Borough's zoning regulations to prohibit all manners of marijuana-related land use and development within the Borough; and

**WHEREAS**, the Mayor and Council of the Borough of Washington has determined that, a resolution to prohibit all manner of marijuana-related land use and development within the Borough prior to August 22, 2021, would not preclude the Borough from taking later action, at a time of the Borough's choosing and as permitted by P.L.2021, c.16, to allow marijuana-related land use; and

**WHEREAS**, officials from the New Jersey State League of Municipalities and the New Jersey Institute of Local Government Attorneys have strongly urged that, due to the complexity and novelty of the Act; the many areas of municipal law that are or may be implicated in decisions as to whether or to what extent cannabis should be permitted for land use purposes or otherwise regulated in any particular municipality; and the relatively short duration in which the Act would

allow such decisions to be made before imposing an automatic authorization of such uses in specified zoning districts subject to unspecified conditions, the most prudent course of action for all municipalities, whether or not generally in favor of cannabis land development and uses, would be to prohibit all such uses within the Act's 180-day period in order to ensure sufficient time to carefully review all aspects of the Act and its impacts;

**NOW THEREFORE, BE IT ORDAINED** by the Mayor and Council of the Borough of Washington, County of Warren, State of New Jersey, as follows:

**SECTION 1. Preamble incorporated.** The preamble to this ordinance is hereby incorporated as if fully restated herein.

**SECTION 2. Cannabis businesses prohibited.** Pursuant to section 31b of the New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act (*P.L.* 2021, *c.* 16) (the "Act"), all cannabis establishments, cannabis distributors or cannabis delivery services as said terms are defined in section 3 of the Act and in Chapter 94 Section 5 of the "Code of the Borough of Washington" are hereby prohibited from operating anywhere in the Borough of Washington, except for the delivery of cannabis items and related supplies within the Borough by a delivery service located outside of the Borough.

**SECTION 3. Chapter 94 Section 5 of the Borough Code amended.** "Definitions" in Chapter 94 Section 5 (94-5) "Zoning and Land Development" of the "Code of the Borough of Washington" ("Code" or "Borough Code") is hereby amended by adding thereto the following new definitions:

**CANNABIS CULTIVATOR**

Any person or entity holding a Class 1 Cannabis Cultivator license issued by the State of New Jersey that grows, cultivates, or produces cannabis in the State of New Jersey, and sells, and may transport, this cannabis to other cannabis cultivators, or usable cannabis to cannabis manufacturers, cannabis wholesalers, or cannabis retailers, but not to consumers.

## CANNABIS DELIVERY

The transportation of cannabis items and related supplies to a consumer. “Cannabis delivery” also includes the use by a licensed cannabis retailer of any third party technology platform to receive, process, and fulfill orders by consumers, which third party shall not be required to be a licensed cannabis establishment, distributor, or delivery service, provided that any physical acts in connection with fulfilling the order and delivery shall be accomplished by a certified cannabis handler performing work for or on behalf of the licensed cannabis retailer, which includes a certified cannabis handler employed or otherwise working on behalf of a cannabis delivery service making off-premises deliveries of consumer purchases fulfilled by that cannabis retailer.

## CANNABIS DELIVERY SERVICE

Any person or entity holding a Class 6 Cannabis Delivery license issued by the State of New Jersey that provides courier services for consumer purchases of cannabis items and related supplies fulfilled by a cannabis retailer in order to make deliveries of the cannabis items and related supplies to that consumer, and which services include the ability of a consumer to purchase the cannabis items directly through the cannabis delivery service, which after presenting the purchase order to the cannabis retailer for fulfillment, is delivered to that consumer.

## CANNABIS DISTRIBUTOR

Any person or entity holding a Class 4 Cannabis Distributor license issued by the State of New Jersey that transports cannabis in bulk intrastate from one licensed cannabis cultivator to another licensed cannabis cultivator, or transports 40 cannabis items in bulk intrastate from any one class of licensed cannabis establishment to another class of licensed cannabis establishment, and may engage in the temporary storage of cannabis or cannabis items as necessary to carry out transportation activities.

## CANNABIS ESTABLISHMENT

A cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer.

## CANNABIS MANUFACTURER

Any person or entity holding a Class 2 Cannabis Manufacturer license issued by the State of New Jersey, that processes cannabis items in this State by purchasing or otherwise obtaining usable cannabis, manufacturing, preparing, and packaging cannabis items, and selling, and optionally transporting, these items to other cannabis manufacturers, cannabis wholesalers, or cannabis retailers, but not to consumers.

## CANNABIS RETAILER

Any person or entity holding a Class 5 Cannabis license issued by the State of New Jersey that purchases or otherwise obtains usable cannabis from cannabis cultivators and cannabis items from cannabis manufacturers or cannabis wholesalers, and sells these to consumers from a retail store, and

may use a cannabis delivery service or a certified cannabis handler for the off-premises delivery of cannabis items and related supplies to consumers. A cannabis retailer shall also accept consumer purchases to be fulfilled from its retail store that are presented by a cannabis delivery service which will be delivered by the cannabis delivery service to that consumer.

#### **CANNABIS WHOLESALER**

Any person or entity holding a Class 3 Cannabis Wholesaler license issued by the State of New Jersey that purchases or otherwise obtains, stores, sells or otherwise transfers, and may transport, cannabis items for the purpose of resale or other transfer to either another cannabis wholesaler or to a cannabis retailer, but not to consumers.

**SECTION 4. Chapter 94 Section 73 of the Borough Code amended.** Section 73, “Prohibited Uses” in Chapter 94, “Zoning Land Development” of the Borough Code is hereby amended to read as follows (new text is underlined thus; deleted text is in brackets [thus]):

#### **§ Z-104 Prohibited Uses.**

##### **D. The following uses are also expressly prohibited in all Zone Districts:**

(1) The operation of any and all classes of cannabis establishments or cannabis distributors or cannabis delivery services as said terms are defined in this chapter and in section 3 of P.L. 2021, c. 16, but not the delivery of cannabis items and related supplies within the Borough by a cannabis delivery service located outside the Borough.

**5. Referral to Planning Board.** Following introduction and prior to adoption, the Clerk shall cause a copy of this ordinance to be referred to the Borough of Washington Land Use Board for review pursuant to *N.J.S.A. 40:55D-26*.

**6. Repealer.** All ordinances and resolutions or parts thereof inconsistent with this ordinance are repealed.

**7. Severability.** If any section, paragraph, subsection, clause or provision of this ordinance shall be adjudged by the courts to be invalid, such adjudication shall apply only to the section, paragraph, subsection, clause, or provision so adjudged, and the remainder of this ordinance shall be valid and enforceable.

**8. Effective Date.** This ordinance shall take effect twenty days from the date of its adoption and upon filing with the Warren County Planning Board, as required pursuant to N.J.S.A. 40:69A-181 and N.J.S.A. 40:55D-16.

## **RESOLUTION 2021-74**

### **RESOLUTION OPPOSING NEW JERSEY STATE ASSEMBLY AND SENATE FOREST MANAGEMENT BILLS A-4843/S-3549, A-4844/S-3550 AND A-4845/S-3548**

**WHEREAS**, Forest Stewardship Plans (FSPs) approved pursuant to Section 3 of P.L. 2009, c. 256 (C.13:1L-31), are exempt from all regulations of the Highlands Regional Master Plan including logging and water body rules; and

**WHEREAS**, the New Jersey State Senate and Assembly have introduced bill A-4843/S-3549, which would require local governments to develop FSPs for all public forest land of 25 acres or more owned by Washington Borough that had been acquired for conservation and recreation under the Green Acres Program; and

**WHEREAS**, Washington Borough has recently secured the purchase of a tract of undeveloped land whose acreage exceeds 25 acres, located in the proximity of Nunn Avenue, Lenape Trail, Mechanic Street and Cemetery Hill Road, and intends to use this land for recreational purposes; and

**WHEREAS**, bill A-4843/S-3549 will require Washington Borough to implement FSPs on these two (2) parcels of land; and

**WHEREAS**, the FSPs would need to be researched, developed and submitted by a trained Forester and Washington Borough, at Washington Borough's cost; and

**WHEREAS**, bill A-4843/S-3549 does not provide any funds for compliance and, therefore, amounts to an unfunded mandate; and

**WHEREAS**, the financial pressure caused by this unfunded mandate would force Washington Borough to consider and institute one or more actions, each of which would have one or more negative impacts on the fiscal, environmental and social health of the community. Among those potential actions are, increasing taxes, reducing services, reducing Borough employees and engaging heavily in the logging of our public land which would also expose our forest ecosystems to invasive plant and insect species, while risking degradation of our soil and water quality, which would force Washington Borough to incur additional costs to

remediate resulting environmental issues; and

**WHEREAS**, non-profit land trusts that also manage land in the County of Warren for public enjoyment, that struggle to secure adequate funding for land stewardship would be at a loss to pay for the preparation and implementation of required FSPs which could result in bankruptcy and/or loss of their land; and

**WHEREAS**, the FSPs required under A-4843/S-3549 are not the appropriate approach for protecting public forests and lands, nor enhancing the ecosystem services; clean water, clean air, flood mitigation, carbon sequestration they afford us. When written and reviewed by foresters these stewardship plans typically emphasize logging and the extraction of wood products, which is a drastic measure and is not appropriate management for most if not all public forests; and

**WHEREAS**, logging will reduce New Jersey's ability to sequester carbon and make it more difficult to achieve the greenhouse gas emissions reductions target in the NJ Global Warming Response Act; and

**WHEREAS**, logging will result in more stormwater runoff and more silt and pollution in our waterways while also causing environmental damage to wetlands, waterways, and forest habitats. Logging will limit access to public forested land; and

**WHEREAS**, logging would diminish the recreational experiences of Washington Borough residents; and

**WHEREAS**, should the State of New Jersey or any other public or private entity provide funds for FSPs and eliminate the unfunded mandate issue, Washington Borough still opposes A-4843/S-3549 for all the other reasons stated herein; and

**WHEREAS**, the New Jersey State Senate and Assembly have introduced bill A-4844/S-3550, which provides that county approval is not required for FSPs. The bill would also prohibit a local government unit, such as Washington Borough, from enacting any ordinance, rule, or resolution that requires local government approval of an FSP or that conflicts with, prevents, or impedes the implementation of an FSP approved by the DEP. The bill would also provide that the DEP's rules would supersede any county ordinance adopted prior to the effective date of this bill; and

**WHEREAS**, Current law (Section 6 of P.L.2009, c.256 (C13:1L-34) states: No local government unit may enact, on or after the date of enactment of P.L.2009, c.256 (C. 13:1L-29 et al.), any ordinance, rule, or resolution, as appropriate, that conflicts with, prevents, or impedes the implementation of a forest stewardship plan approved pursuant to section 3 of P.L.2009, c.256 (C13:1L-31). A-4844/S-3550 extends these restrictions to any ordinance, rule, or resolution that requires local government approval of a forest stewardship plan. Therefore, this bill ensures that all forest stewardship plans required under companion bill A-4843/S-3549 are included in this set of already highly restrictive limits on municipalities and prevents them from having any control over NJDEP FSPs; and

**WHEREAS**, current law already restricts municipal oversight of NJDEP approved FSPs but has not impacted many municipalities as FSPs are not required and municipalities manage open space land through local ordinances. The enactment of A-4843/S-3549 will

replace many ordinances with FSPs and many municipalities will lose total control over their forested lands and be unable to stop them from being logged; and

**WHEREAS**, there are no penalties associated with damages caused by FSPs. Replacing ordinances with FSPs would take away the authority of local governments to ensure private companies or individuals are not impacting environmentally sensitive areas or threatened or endangered species or creating disturbances close to stream corridors; and

**WHEREAS**, bill A-4844/S-3550 is a violation of home rule principles and the principles behind municipal land use laws throughout New Jersey's legislative and judicial history; and

**WHEREAS**, bill A-4845/S-3548 sets a Statewide goal of conducting prescribed burns on a minimum of 50,000 acres in the Pinelands area, and an additional 10,000 acres elsewhere in the State, every year; and

**WHEREAS**, bill A-4845/S-3548- requires burning about 6% of New Jersey's entire public forested land every year (In 17 years an area equivalent to all of New Jersey's public forests will have been burned); and

**WHEREAS**, there is no supporting scientific justification offered for burns of the magnitude required by bill A-4845/S-3548. Requiring a burn of 10,000 acres anywhere in the state outside the Pinelands is irresponsible, dangerous, costly, and wholly without merit; and

**WHEREAS**, decisions to conduct controlled forest burns of specific sizes should be based on scientific analysis of specific situations in specific areas each year and not predetermined for all time by law; and

**WHEREAS**, burning forests increases greenhouse gas emissions and air pollution, both of which are already significant problems throughout New Jersey; and

**WHEREAS**, the Prescribed Burns Act does not properly address air pollution and it limits liability if these fires get out of control; and

**WHEREAS**, controlled burns are expensive to execute and bill A-4845/S-3548 also causes additional expenditures by requiring all relevant State agencies involved in environmental planning and land use management to incorporate the yearly minimum burns into all plans, programs, and surveys.

**NOW, THEREFORE, BE IT RESOLVED** that the Washington Borough Council, in the interest of protecting its residents and businesses, and controlling its public open spaces to optimize its value as a source of recreation and public enjoyment, strongly opposes New Jersey State Assembly and Senate Forest Management Bills A-4843/S-3549, A-4844/S-3550 and A-4845/S-3548.

**BE IT FURTHER RESOLVED**, that certified copies of this Resolution shall be forwarded to the Governor of the State of New Jersey Phil Murphy, Commissioner of the NJ

Department of Environmental Protection, State Senator Bob Smith, State Assembly Speaker Craig Coughlin, State Senator Steven V. Oroho, Senator Michael J. Doherty, State Assemblyman Parker Space, Harold J. Wirths and John DiMaio, Warren County Commissioners Lori Ciesla, Jason Sarnoski, James Kern III, New Jersey Forest Watch ([newjerseyforestwatch@gmail.com](mailto:newjerseyforestwatch@gmail.com)), Warren County Municipalities, League of New Jersey
